

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is dreadful. Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest.

The decision fo Sinclair to force stations to air a vry political film is grossly wrong!

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them.

They show why you must absolutely review thier license renewal!

Thank you so much.
